

Dear Students of 2015/16 batch,

As you are starting your short clinical rotation from tomorrow onwards please adhere to following to minimize your risk of getting exposure to COVID.

1. You are supposed to be in the wards between 9-11 am
2. Please use personal transportation modes or the buses provided by the faculty for your traveling
3. It is compulsory to wear face mask and face shield. You may collect your face shield from batch rep.
4. You are not supposed to wear lab coat. We will provide u coveralls as soon as possible.
5. Please minimize your traveling. Limit your selves to the designated wards, faculty and residential halls/boarding places/home.
6. You are not supposed to use doctors canteen at NHK.

Dean/FOM
